I. Roll Call

Present: Commissioners Dan Bundalo, Anna Nelson, David Rupp and Jim Neel

Park District Staff Present: Colleen Broderick, Executive Director

II. Public Comment

Matt Brueck - ask the Board to consider Becky Jante for Commissioner, she was the only person who ran in the election and she received a third of the votes. She is qualified and willing to work with the Board. It is a no brainer to appoint Becky. If the Board appointed someone else, they would be sending the message that they don't care about the community who voted for Becky and it would be very similar to what past Boards did to the Valley Lake Committee.

Jennifer Brueck - ask that we continue to do the right thing for the community and appoint Becky Jante. She will take everyone's opinions into consideration. She would be a good valuable member of the Board.

Michelle Perna - she is the secretary of GLCC, handed out a list of 39 people who want Becky Jante to be appointed, she would like to have another female on the Board, Becky is qualified and well educated, she was confused by the ballot in the spring and voted for all three candidates.

Sandra Moss - have lived in Wildwood for 30 years, husband and her have voted in every elections, they are very happy with the changes that have happened at the Park District. Please consider Becky Jante.

Becky Jante - asking for Board to appoint her, wants to work with Board to bring the community together. Wants to give back to the community.

Linda Camellino - has a petition signed by residents to appoint Brian Frederickson. He created website that meeting videos are posted on. He knows what the residents want and has come to the Board meetings.

Pam Garbutt - resident for 50 years and husband was on the Board. She would like to see Becky on the Board. She lives on the lake and used the lake daily. Knows how to take care of the lake.
