Lightning

Warning will most likely be flashes at a distance or weather alert systems may be activated. Walk quickly to seek safe shelter if outdoors; if you are indoors, be sure to remain inside.

Tornadoes

If severe weather is imminent, listen to local weather forecasts for frequent updates. In the event of a tornado warning, seek shelter immediately. If inside of a building, go to the center of an interior room on the lowest level possible. If outside with no shelter, lie flat in a nearby ditch or depression and cover your head with your hands. Stay in the shelter area until the tornado warning is terminated.

Fire

If smoke or fire is detected within a facility, follow posted evacuation routes and exit the building immediately. Remain at the assembly point until released by emergency crews.

Earthquake

The greatest threat during an earthquake is from falling debris. Earthquakes occur without much warning or notice. The first indication of an earthquake may be gentle rolling or shaking of the Earth and/or building. Seek cover immediately, kneel and cover your head with your arms. Shelter areas include, under heavy tables, desks, doorframes and against internal walls. Stay away from windows, overhead fixtures, wall mounted cabinets and shelves.

WILDWOOD PARK DISTRICT VOLUNTEER WAIVER & RELEASE

IMPORTANT INFORMATION

The Wildwood Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of volunteers in high regard. The Park District continually strives to reduce such risks and asks that all volunteers follow safety rules and instructions that are designed to protect the volunteer's safety. However, volunteers must recognize that there is an inherent risk of injury when choosing to volunteer for any activity or program.

Please recognize that the Wildwood Park District carries only limited medical accident coverage for volunteers; therefore, it is strongly urged that all volunteers review their own health insurance policy for coverage. Additionally, each volunteer is solely responsible for determining if he/she is physically fit and/or properly skilled for any volunteer activity. It is always advisable, especially if the volunteer is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when providing volunteer services. Understandably, not all hazards and dangers can be foreseen. Volunteers must understand that depending upon the volunteer services, certain risks, dangers and injuries due to acts of God, inclement weather, slip and falls, inadequate or defective equipment, failure in supervision or instruction, premises defects, horseplay, carelessness, lack of skill or technique, and all other circumstances inherent to the particular volunteer services exist. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in consideration for providing volunteer services, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you may sustain as a result of participating in any and all activities connected with and associated with your volunteer services (including transportation services/vehicle operations, when provided).

As a volunteer, I recognize and acknowledge that there are certain risks of physical injury to volunteers in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that I may sustain as a result of my volunteer services. I further agree to waive and relinquish all claims I may have (or accrue to me) as a result of my volunteer services against the Wildwood Park District, including its officers, officials, agents, volunteers and employees (hereinafter collectively referred as "Parties").

I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages, or loss that I may have or which may accrue to me and arising out of, connected with, or in any way associated with my volunteer services.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims.
