A Word from the Park District Manager

Dear Wildwood Residents,

There is something special about the seasons changing in Wildwood after a busy and fun filled summer. Our parks transform from their luscious green to a cornucopia of red and orange, and the warm summer breeze that once rolled off our lakes cools to a crisp air that makes us pack away our swimsuits for the year and wrap ourselves in a warm sweater. Much like the changing weather, the Wildwood Park District is transitioning to our own fall season. As we enter this wonderful time of year, I am excited to share with you all the new and exciting events, programs, and projects we have planned to make this a fun fall for all in Wildwood!

Nothing says fall like the start of our Schoolhouse Adventures Community Preschool school year! We currently have openings and are accepting enrollment for our 3's Class, as well as our 4's and 5's Pre-K Class. Our dedicated, experienced, and caring teachers are committed to preparing your child for kindergarten in our safe and age-appropriate classroom through outdoor learning and play emphasis, small community environment, low teacher-student ratios, nature concepts, and developmentally appropriate practices. Our teachers work directly with the schools in our district to ensure our curriculum aligns with their kindergarten readiness requirements, ensuring that your child is set up for success.

We are also pleased to continue offering our popular programs for adults, such as Zumba in the Park, Bags League, and Yoga classes; and tot and youth programs like Pumpkin Painting and Gingerbread House Decorating nights. Two new programs coming your way this fall are a Basic Dog Obedience Class taught by Noble K-9 Dog Training, as well as an Adult Co-Ed Kickball League!

We have also been hard at work planning one of Wildwood's largest and favorite fall events, Harvest Fest! We are excited to continue the tradition of this event for its third year, and festival goers can expect a fun day full of good food, drinks, live music, an antique car show, face painting, pony rides, petting zoo, kid's activities, and much more!

Join us for familiar fall events such as Touch a Truck on October 7th, WSRA's "Trunk or Treat" on October 22nd, Family Board Game Night on November 17th, and Cookies and Milk with Santa on December 8th. We are also happy to incorporate two new events, a Glow-in-the-Dark Scavenger Hunt on September 29th, and a Neighborhood Bonfire & S'mores Night on November 10th.

Our Maintenance Team continues to strive for excellence in maintaining our greenspaces, facilities, and playgrounds for our residents. Several fall initiatives include continued power washing and graffiti removal from playgrounds and pavilions, restoration of park picnic tables and sitting benches, enhancing bike racks with gravel, and restoration of park grills. The Pebble Beach Park wooden pier is set for replacement with a new composite decking pier in October/November. Stormwater and drainage improvements around Valley Lake beginning this summer will continue into the fall as part of the Stormwater Infrastructure Improvements Project, led by Lake County Stormwater Management. All past, current, and upcoming capital projects and improvements can be found on our Capital Planning and Projects page at www.wildwoodparkdistrict.com/capital-projects-planning/.

Finally, we here at the Wildwood Park District pride ourselves on providing diverse programs, events, and activities for all ages within our community. On behalf of the entire Wildwood Park District team, we want to extend our most heartfelt gratitude to our community members for continuing to support us for all of your park and recreation needs.

We are truly honored to serve you. I look forward to sharing another memorable fall with all of you.

SCHOOLHOUSE ADVENTURES COMMUNITY PRESCHOOL

PRESCHOOL PHILOSOPHY

The Schoolhouse Adventures Community Preschool is a developmentally appropriate program for children 3-5 years old. We believe children benefit most by being exposed to a variety of information that will build upon their interests and natural curiosity. We also believe children will gain an understanding of the world around them by exposing them to nature through outdoor play and learning opportunities. Our program uses a curriculum that includes academic topics such as shapes, colors, numbers, letter recognition, and more! Our program is designed to integrate social, emotional, physical, and academic development to meet the needs of the whole child, and better prepare them for kindergarten. The curriculum is taught through a balance of teacher-directed lessons and child-directed activities, both indoors and outdoors. We believe children learn best through sensory, hands-on activities that encourage real life situations and problem solving. Some areas we explore include nature, math, science, creative art, music, walking excursions, outdoor play, and a variety of interest-based themes.

OUR STANDARDS

Our teachers work directly with the schools in our district to ensure our curriculum aligns with their kindergarten readiness requirements, ensuring that your child is set up for success. We set the following standards to prepare your child for a smooth transition into kindergarten:

- Talk in complete sentences.
- Sit and listen.
- Gross motor skills.
- Follow one to two step directions.
- Fine motor skills.
- Alphabet and numbers are taught throughout the year with the goal of recognizing letters and their sounds to the best of their ability.
- Sign language basics.

WHY CHOOSE US

- Caring, Dedicated, & Experienced Teachers.
- Safe & Age Appropriate Classroom.
- Outdoor Learning & Play Emphasis.
- Affordable Tuition, beginning at \$130 per month.
- Small Community Environment.
- Low Teacher-Student Ratios.
- Nature Concept.
- Developmentally Appropriate Practices.

MEET THE TEACHERS

Kathy has spent many years working in pre-school environments. Her experience started in Buffalo Grove Park District's "Before and After School Program" for 7 years. She started out as a staff member then advanced to Site Director. After a couple of years being a Site Director, she was promoted to as Assistant Director of the program. When she and her family moved to Grayslake, she accepted a position of Site Director at Village School's after school program in Round Lake. In 2020, Kathy was a preschool teacher at Grayslake Park District working with 4 and 5 year olds. Kathy has a passion for cooking and baking. She enjoys traveling and spending time with her family. This will be Kathy's third year teaching as part of the Schoolhouse Adventures Preschool Program. Kathy co-teaches the 4's & 5's Pre-K class on Mondays, Wednesdays, and Fridays.

Kathy Zawadzki

Tamara Rasmussen

Ms. Rasmussen grew up in Wildwood and returned full time 13 years ago so her children would have a similar childhood. She has been working with children her whole life; having spent the last 13 years solely working in childcare. She loves kids and it fills her heart with joy to watch them grow. Her experience started as a nanny for 13 years - and two years ago transitioned into teaching our preschoolers! She currently teaches the 3's class and co-teaches the Pre-K classroom. Ms. Rasmussen genuinely enjoys nurturing and caring for preschoolers. Her philosophy is that each child is unique, therefore they learn and thrive at their own pace. While nannying, she developed an at home Preschool curriculum for ages 2 to 5. Based on music and play, she was able to incorporate all developmental milestones and age appropriate lessons. She is currently studying at College of Lake County for her Early Childhood Education Degree. This will be her third year teaching as part of the Schoolhouse Adventures Preschool Program.
