A Word from the Park District Manager

Dear Wildwood Residents,

As the weather warms and the sun sets later in the evenings, there is nothing quite like summer in Wildwood. Our community comes to life with children playing in the parks, residents strolling our walking paths, beach goes cooling off in one of our two refreshing lakes, and boaters taking to the Gages Lake and Valley Lake waters. This, coupled with the Wildwood Park District's exciting summertime events and programs, create a lively yet laid-back atmosphere that almost makes Wildwood feel like a vacation town. As we enter this delightful time of year, I am excited to share with you all the new and exciting events, programs, news, and projects we have planned to make this a fun summer for all in Wildwood!

Based on resident feedback, we are pleased to expand our adult and senior programs, with offerings such as a one-time winner-takes-all Bags Tournament Night, Paddle Boarding Class, Basket Weaving Class, Book Club, Dog Obedience Class, and Adult Bingo Night in the Park! We're excited to continue offering popular tot and youth programs like Intro to T-Ball, and Tot Soccer! Other returning programs include community staples such as our popular Summer Camps and Swim Lessons! Join us for familiar favorite summer events such as Movie in the Park featuring Elemental on June 7th, Blues Soiree on June 21st, Family Camp-out on July 19th, National Night Out on August 6th, and our free six-part Thursday Summer Concert Series that runs June - August.

Our Maintenance Team continues to strive for excellence in maintaining our greenspaces, facilities, and playgrounds for our residents. Several new spring and summer initiatives include continued in-house restoration of sitting benches, replacement of split-rail fence at Twin Lakes Park, addition of accessible crushed stone walkway ramp into Sunset Park, restoration of Willow Point and Twin Lakes Parks baseball backstops, and a multitude of restorative painting, power washing, and wood replacement projects throughout the parks. Attention will always be focused on maintaining safe, usable, and high-quality parks for our residents.

Pebble Beach Park shoreline enhancement planning and protection progress continues. Stormwater and drainage improvements around Valley Lake, which began last fall as part of the Stormwater Infrastructure Improvements Project - led by Lake County Stormwater Management - are nearing completion. We look forward to improved water quality in Valley Lake as well as reduction of significant flooding risk. Consideration has been taken into the quality of fishery at Valley Lake; with efforts being made to begin a re-stocking program for Summer 2024. All past, current, and upcoming capital projects and improvements can be found on our website at www.wildwoodparkdistrict.com/capital-projects-planning/.

The Wildwood Park District is proud to partner with the Gages Lake Conservation Committee (GLCC) to assess and help manage the health and treatment of Gages Lake. We encourage the community to attend GLCC meetings and share your feedback on topics varying from lily pad and aquatic weed treatment, fish stocking, and shoreline cleanup. In 2024, the GLCC rolled out a brand-new web page, social media presence, and contact information to have a stronger connection with the community. All GLCC information, meeting dates, agendas, minutes, and how to get involved can be found here: www.wildwoodparkdistrict.com/gages-lake-conservation-committee/.

Safe and orderly parks and greenspaces continue to be a priority of the Wildwood Park District. We are proud to continue seeking greater cooperation with the Lake County Sherriff's Department and their auxiliaries for their presence at the parks, along with our in-house Park Safety and Boat Ramp Monitor Staff. Current initiatives are underway to add additional security lighting to the parks in time for the summer. Frequently asked questions about parking, boating, and safety can be found on our website at: www.wildwoodparkdistrict.com/parking-boating-and-safety/.

As part of our continuous improvement strategy, we recently conducted a Community Needs Assessment Survey to help identify the communities needs and interests. Over 130 Wildwood residents completed the survey, providing the Park District with invaluable feedback. We are proud to say that we have already turned this feedback into action by adding additional information and resources to our website, expanding programs and events, and improving upon safety initiatives and procedures. Survey findings will be made available to the public in a report on our website once complete.

Finally, we here at the Wildwood Park District pride ourselves on providing diverse programs, events, and activities for all ages within our community. On behalf of the entire Wildwood Park District Team, we want to extend our most heartfelt gratitude to our community members for continuing to support us for all of your park and recreation needs.

We are truly honored to serve you. I look forward to sharing another memorable summer with all of you.

ABOUT SCHOOLHOUSE ADVENTURES COMMUNITY PRESCHOOL

For over 30 years, Schoolhouse Adventures Community Preschool has provided children with a developmentally appropriate, fun, and safe environment to learn and socialize. At Schoolhouse Adventures Community Preschool, we view a child's play as their work. Playing provides opportunities to explore and make sense of the world around them. We believe each child is an individual whose ideas deserve respect and support from his/her peers and teachers. We encourage children to express their own opinion, follow their curiosity (within safe limits) and develop at their own pace. Children and staff work cooperatively to set safe guidelines for the classroom. These guidelines will provide a safe learning environment. It is our belief that when children participate in the rule making process they develop a sense of ownership and community in their classroom. Our overriding goal at Schoolhouse Adventures Community Preschool is to provide your child with a positive environment that is filled with great friends and fun activities. We believe that with these things come independence and positive self-esteem.

Brochure Advertising

The Wildwood Park District offers businesses and organizations an opportunity to place advertisements inside our Seasonal Brochures. We print and circulate over 8,100 brochures, 3 seasons per year, throughout Wildwood and surrounding Gurnee and Grayslake households and businesses. Additional copies are distributed in our facility, during special events, and at local community fairs as well. Seasonal Brochures are also available on our website for download. Each brochure contains information on programs, classes offered, special events, camps, our facility, and parks.

BOY SCOUTS TROOP 671

Troop 671 was first chartered by the Wildwood Homeowners Association in 1955. Later, when the Wildwood Park District was created they assumed our charter and is where we've been ever since. Throughout our history we have been dedicated to providing opportunities for youth to gain valuable experience being responsible and acting as a leader. Our Troop has volunteered and helped extensively within the Wildwood Community and Park District. We average around 40 Scouts on our roster and meet and camp year round. **More info:** <https://www.troop671bsa.org/>
