## Parent Communication

The Wildwood Park District utilizes a Summer Camp Parent Hotline-a Park District owned cell phone to be utilized by our lead counselor(s) to contact parents in the event of a more urgent matters including but not limited to: bathroom accidents, child injury or illness (whether major or minor), if a parent is late for pickup, or other Park District emergency.

Parents can also call or text this number before the main office opens at 9:30am (or after we close at 4:00pm) to speak directly to the lead counselor(s) for any other updates. The phone number is:

**224.545.8762.**

## Camp Newsletter

Starting the first week of camp, a weekly newsletter will be emailed out to the email address associated with the registration account. This will include important camp information for both Tot Camp and Camp Rules (age 6-11) including weekly highlights and announcements, weekly activity schedule, important contact information, counselor bios, and other reminders. Please contact [info@wildwoodparkdistrict.com](mailto:info@wildwoodparkdistrict.com) if you do not receive this or would like a different email to receive the newsletter.

## Camp Staff

At the Wildwood Park District, our staff members do everything they can to create a safe and positive environment for our campers. The Camp Team consists of the Executive Director, Office Administrator, Front Desk Representative, Lead Counselor and Camp Counselors. As a team, we all work together to help make sure that your camper is safe while having an amazing summer.

To help make sure that your camper is safe, we have put in place a ratio of campers to counselors of 8:1. These counselors have received certification in CPR, basic first aid and AED, behavior management, safety implementation & health measures, and activity planning. All our counselors have gone through an interview, reference check, and background check.

We look forward to serving you and your child's camp needs. If you should have any questions or concerns, please contact Brandon Magnini, Executive Director, at 847.223.7275 or by email at [bmagnini@wildwoodparkdistrict.com](mailto:bmagnini@wildwoodparkdistrict.com).

All steps will be taken to ensure the safety and welfare of your child. If an injured or ill camper is transported by ambulance to the local hospital, a camp staff member will stay with the camper at all times until a parent or guardian arrives.

## **Personal Items and Camp Attire**

Please send your camper dressed for play with a water bottle, a change of clothes in case of an accident, and close-toed gym shoes. On cooler days, please send along a sweatshirt or jacket. We will be doing water activities, such as sprinkler fun, water tables, or sponges on **Tuesdays** (onsite), so please make sure that your camper has a swimsuit and a towel on those days. It is very important to **label every item brought or worn to camp.** It is amazing how fast our Lost and Found Box grows! If something is left behind, please check the box during your next visit.

## **Bug Repellent and Sunscreen**

Please apply sunscreen and bug repellent to your child each day of camp. Also, you may send your child with a labeled bottle of sunscreen as there will be designated times throughout the day for sunscreen application. **It is required you provide a spray bottle of sunscreen as it makes re-application of sunscreen easier for your children to do on their own.** Camp staff and counselors may not apply ANY sunscreen directly to your children as part of Wildwood Park District policy. You may send a labeled hat if your child is extra sensitive to the sun.

## **Photography Policy**

Photographs/videos may be taken during summer camp programs by authorized Wildwood Park District staff for use in all Park District marketing materials. For the protection of all our campers, recording videos or taking pictures from a personal cell phone is strictly prohibited.
